

2010 SEASON OFFICIAL PROGRAM

Good Luck 2010 Season

As President of the Forest City Thunderbirds Football Club I would like to welcome you to another exciting summer of football.

I can hardly believe 10 years have passed since we kicked off our inaugural season in the Great Lakes Football League. What a debut as we defeated the Toronto Express 55-0 in our opening game and went on to win the 2000 GLFL Varsity Championship. This year promises to be a very exciting one for the Thunderbirds as we are fielding four teams Peewee, Bantam, Junior Varsity and Varsity for competition in the Ontario Football Conference.

Our mission is to provide, through the game of football, an avenue where young men can develop an understanding of concepts such as teamwork, ethical behaviour, respect for others and leadership while at the same time establish an enjoyable environment for the further development of their football skills.

On a practical level we are trying to provide a venue whereby players can build upon the skills they learn in their LMFA and high school programs. The Thunderbirds attract student-athletes from the Thames Valley District School Board and the London District Catholic School Board. Many of our graduating players have continued to play in the CIS or the CJFL. All of us involved in the OFC are committed to the Canadian game and as such are interested in developing the talent necessary to perpetuate its existence.

Participation in amateur sport has always been viewed as an excellent way for the youth of today to become the leaders of tomorrow. The values of good sportsmanship, determination and teamwork that are instilled in our players will only help our community grow.

On behalf of the players, coaches and support staff I would like to thank you for your continued support of the Forest City Thunderbirds Football Club as we continue to provide a program for young athletes who enjoy the experience of high level competition.

Sincerely,

John Darnell
President and CEO
